AREA RESPONSE TEAMS

In January 2010, the Hanover Park Police Department began a new strategy at closer *Police and Community Relations.* This strategy is called ***Area Response Teams (ART).***

Chief Michael Menough

ART involves assigning officers as area representatives for one year periods. Each area also has an assigned supervisor who is responsible for the crime that occurs and the officers assigned to the respective area.

Prior to the implementation of ART, officers were assigned to an area for only six weeks. By creating long term area assignments, the officers will now become more familiar with the residents, offenders, and overall problems in their respective beats.

Day shift (6 AM - 6 PM) and Night shift (6 PM - 6 AM) have two officers assigned to each Area.

I encourage you to call your Area Officers with any problems or concerns occurring in your neighborhood. This does not replace the 911 Emergency Telephone System. If you have an emergency, dial 911.

Residents also will have the opportunity to meet with all four area officers quarterly throughout the year. Remember community policing means all of us working together to improve your neighborhood.

Sincerely,

Michael Menough
