VILLAGE OF HANOVER PARK FIRE DEPARTMENT

Stoops

General Information

The requirements for issuing stoop permits are:

- NO MORE than 7¾" riser
- The tread (depth) can be NO LESS than 10"
- There is no maximum depth

To Apply for a Building Permit

1. Complete a Building Permit Application
2. Submit two (2) copies of a current plat of survey showing the proposed stoop location with the dimensions.
3. All contractors must be registered and bonded with the Village of Hanover Park. If you have any questions please call 630-823-5790.

Inspection Requirements

The stoop or other slab (including pavers) requires a pre-pour inspection before the concrete is poured and a final the inspection when the concrete and/or paver is complete.

To request an inspection contact the Fire Department's Inspectional Services Division at 630-823-5860, **at least 24 hours in advance.**
