4-b. Margaret Sauck attended the meeting virtually. She voiced concerns reference 26W258 Lake St and the deteriorating condition of the property. Director Govind advised Ms Sauck that the property in question was not incorporated into the Village until it was annexed approximately 3-years ago. Ms Sauck was upset that there has been no action by the Historic Committee in those 3 years. The connection was choppy, and it was difficult to hear everything Ms Sauck said so she submitted the following question in chat: "Has a village representative spoken with the owner Nick Henrici?" Director Govind advised Ms Sauck that she would look into her concern and respond to her accordingly.
