A land swap initiative with Habitat for Humanity may give the Village an opportunity for land development. The Village does not have a pillar design at this time. Tom suggested a pillar with a beam of light streaming from the top, but stated that the design will have to take into account expenses.

7b. Space Force

T.J. has received a quote from the designer of the original Veterans Memorial. The original memorial will be difficult to expand, but is in next year's budget and will have to wait for approval.

7c. Veterans Day Observance

Our guest speaker for the Veterans Day Observance will be emailing Rick in the next few days with her picture and bio for the agenda. Rick informed the committee members that if anyone would like to attend the Veterans Observance that there is enough room while still being able to practice social distancing. The Mayor would like to speak about the 75th anniversary of the ending of WWII at the event.
