

**CONTRACT BETWEEN
THE VILLAGE OF HANOVER PARK
AND
HR GREEN, INC.
FOR
BARRINGTON ROAD LANDSCAPE WALL RECONSTRUCTION
DESIGN SERVICES**

HR GREEN PROJECT NO. 86160041

JANUARY 29, 2016

In accordance with Section 1.1 of the Master Contract between the Village of Hanover Park ("Owner") and HR Green, Inc. ("Consultant") for Calendar Year 2015 Professional Engineering Services, dated May 21, 2015 (the "Contract"), Owner and Consultant agree as follows:

1. **Project:**

Hanover Park – Barrington Road Landscape Wall Reconstruction

2. **Services of Consultant:**

Provide engineering design services for the reconstruction of the Village's segmental block landscaping retaining wall along the east edge of the existing parking lot of Tony's Finer Foods, near the western edge of the Barrington Road right-of-way. It is understood that the existing segmental block retaining wall has undergone substantial settlement due to poor underlying soil conditions and due to voids under the adjoining parking lot structure. Existing soil in the landscaped area is washed into the voids under the parking lot, causing holes to form in the landscape area. The proposed design will address these conditions.

These engineering services will include field survey, soil borings, project design, preparation of plans, specifications and bidding documents, bidding assistance, attendance at the bid opening, and recommending for award of the Contract to the lowest responsible bidder.

Construction engineering services are not included in the scope of this work, but may be added by contract amendment.

3. **Commencement Date:**

February 1, 2016

4. **Completion Date:**

April 29, 2016
