**OPINION OF LEGAL COUNSEL**

---

Re: Village of Hanover Park, Illinois (the "**Village**") Barrington / Irving Redevelopment Project Area - TIF #2 (the "**TIF #2**") / Annual Tax Increment Finance Report for the Fiscal Year ended April 30, 2013

In connection with the "Annual Tax Increment Finance Report" under 65 ILCS 5/11-74.4-5(d) (the "**Act**") for the fiscal year ending April 30, 2013 for the Barrington / Irving Redevelopment Project Area - TIF #2 (the "**Annual Report**"), I am acting as the Village Attorney for the Village of Hanover Park, and, based upon review of the Annual Report, in reliance on representations made by officers and employees of the Village in such Annual Report, and in reliance on the Village's officials and tax increment finance planners as to all proceedings preliminary to, in connection with and related to the adoption of tax increment finance, the approval of the redevelopment plan and redevelopment project and the designation of the Barrington / Irving Redevelopment Project Area - TIF #2, as such adoption, approval and designation have been supplemented and amended, but without making any independent investigation or inquiry in connection with any of the foregoing, as of April 30, 2013, nothing had come to my attention during said period to lead me to conclude other than that the Village as of such date was in compliance with the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 *et seq.*).

In connection herewith, I am assuming the accuracy, completeness and sufficiency of all documents, statements and representations by and on behalf of the Village and its officers and agents provided to me related to such TIF and in the Annual Report, and I express no opinion as to (i) the sufficiency or completeness of the Annual Report (or any Barrington / Irving Redevelopment Project Area - TIF #2 audit), (ii) the receipt and application of incremental taxes, or (iii) the authorization, execution and binding effect of any development or redevelopment or other similar agreement or payment of redevelopment project costs related to such TIF. This constitutes the "**opinion of legal counsel**" under the Act, and may not be cited or used in connection with anything other than submission with the Annual Report.

Dated as of: December 31, 2013

Very truly yours,

## INDEPENDENT AUDITOR'S REPORT

The Honorable Village President  
Members of the Board of Trustees  
Village of Hanover Park, Illinois

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Village of Hanover Park, Illinois (the Village) as of and for the year ended April 30, 2013, which collectively comprise the Village's basic financial statements as listed in the table of contents and the related notes to financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Village's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Village of Hanover Park, Illinois, as of April 30, 2013, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

## Emphasis of Matter

The Village adopted GASB Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*, and GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*, during the year ended April 30, 2013. Statement No. 63 added new classifications on the statements of net position and changed net assets to net position. Statement No. 65 changed the classifications of certain items on the statement of net position to the new classifications contained in GASB Statement No 63. The adoption of these statements had no effect on any of the Village's net positions or fund balances as of and for the year ended April 30, 2013, except as discussed in note 14. Our opinions are not modified with respect to this matter.

## Other Matters

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and other required supplementary information listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Village of Hanover Park, Illinois' financial statements as a whole. The introductory section, combining and individual fund financial statements and schedules and statistical section are presented for purposes of additional analysis and are not a required part of the financial statements. The combining and individual fund statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole. The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.
