Switch to Monthly Water Billing

In order to better serve our customers, starting on September 1, 2016, the Village of Hanover Park will be sending water and sewer bills on a monthly basis instead of every other month. The water and sewer transitional plan will begin on March 1, 2016 with a new schedule.

Benefits of change:

- ◆ The new billing process will assist our customers who find **monthly budgeting more convenient and manageable.**
- ◆ **Early detection of water leaks** by reading meters monthly and reducing the potential of a high bill.

The most important change that customers will need to be aware of is the new billing schedule. Bills will be issued on the 1st of the month, and be due on the 21st of every month so residents will be able to plan accordingly to a **consistent billing schedule.**

In addition to these exciting changes taking place, the Village announced there will be no increase in 2016 to the water, sewer and infrastructure charges. A postage paid envelope will be included in your bill so that you can conveniently mail in your payment. Direct Debit and on-line payments will continue to be made available, with other payment options coming soon.

We understand this will be an adjustment in how residents and businesses pay for their utility bills. We anticipate that once everyone becomes used to the monthly billing schedule, it will be seen as a beneficial change for all.

See page 7 for additional changes being made.

Village Welcomes New Village Trustee

On Thursday, November 5, 2015, Lisa Trousdale was sworn in as Village Trustee. Lisa Trousdale is a 14-year resident of Hanover Park. She has been married to husband, Tom, for 22-years and they have three children.

Lisa obtained a BA in Political Science and a MA in Linguistics, and is a trained Montessori Teacher. For the last three years she was a Section Pastor at Willow Creek Community Church in South Barrington.

Lisa and her husband choose to reside in Hanover Park because of the good school systems and the excellent services provided at the local libraries. They also wanted their children to grow up in an area where there was great racial diversity. Lisa believes Mayor Craig is working hard to bring about positive change for our community and in her role as Trustee, would like to help make Hanover Park the destination people want to be when looking for a feeling of community.

As a long-time resident, her family knows how excellent our Fire, Police and Public Works Departments are and one of her goals will be to help make the residents of Hanover Park proud to live here. We welcome Lisa and look forward to working with her to meet the needs of the residents of Hanover Park.

Minute with the Mayor

Recently, the Village Board passed our **Annual FY'16 Budget**. The 2016 Budget is the second 12-month budget under the new fiscal year calendar, which began annually on January 1st of 2015. Thank you to our staff and Finance Committee members who worked hard on presenting a balanced budget to the Board.

Recently, Governor Rauner signed a Bill Releasing Funds to Hanover Park. These funds have been already received as the year ends. Many thanks to our Legislators as Mayors reached out effectively across the County and State. Our own Senator, Tom Cullerton, was Chief Sponsor in the Senate. Thanks also go out to Representatives Crespo, Mussman, and Winger, as well as our Governor.

Mayor Craig with Michael Van Allen, who retired after 38-years.

Mission Church sharing the spirit of Christmas at Fox School with Hanover Highland School. Many Thanks.

As I write this bi-monthly message, I must acknowledge the blessing of the year gone by. Thank you to Elgin Community College and Harper Community College for their ongoing support and success opening the Education & WorkNet Center. Thank you to our worship leaders who quietly invest in the good will and positive spirit in Hanover Park. Thank You to our School Superintendents, full day Kindergarten is a huge success as demonstrated in District 54 and District 20, and next school year in U-46, well done Tony Sanders.

Many thanks to our Village staff, always seeking to build a quality community, our Fire Department's efficiencies to improve our insurance rating from ISO-4 to ISO-2, our Police who continue to build upon Community Policing towards a Safer Hometown for families, and our Public Works Department who pride themselves with good snow removal.

I believe we are blessed with caring people leading Hanover Park into the future. It is our Honor to serve the people of Hanover Park. Finally, it continues to be my pleasure to represent the people of Hanover Park, our hometown. We cannot do it without you! Take the time to volunteer and give back to our wonderful town, at the Schools, Churches, or assisting on the playing field. We are a Village that believes all youth will achieve and have hope for success without exception. Together we are finding ways to believe in our youth and together we can make a difference in Hanover Park.

Sincerely,

Rodney S. Craig, Village President

Kids at Hope Community Resource Fair

Save the Date of **April 16th** for the annual **Kids At Hope Community Resource Fair**. As summer approaches, parents will be looking for opportunities for youth to become involved in positive activities, and the Resource Fair will help you find those opportunities. See everyone at the Hanover Park Park District, who always open their doors for this wonderful event.

Our Little Reindeer, Lainey.

NEWS FROM THE COUCH
By: *Tricia Rossi, LCSW*
Police Department Social Worker

Your Year in Review

Where has the year gone? New Year’s Eve is almost here and I haven’t made plans yet! Yes, the holiday parties are fun, but the best part about New Year’s Eve is the anticipation of the year ahead. It’s fun to dream about a new year filled with promise and excitement. What will this year bring – a promotion, a trip to an exotic destination, a new romance? On New Year’s Eve we resolve to wipe the slate clean and look forward to the future.

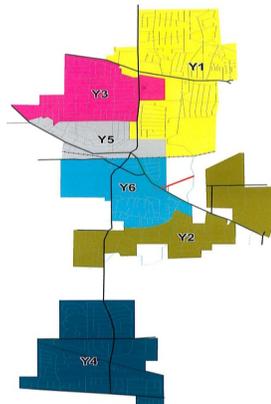

The New Year is also a good time to review the year that has just ended. When I say review, I mean look back on all that took place over the year that helped you to grow. I’m sure you had many events that made you laugh, love and appreciate life. I bet you also had experiences that made you feel sad, frustrated, angry or hurt, or that made you question whether you were doing the right thing. Good or bad, all of our experiences are shaping us into the person we want to be. When good things happen, we want them to keep right on happening, and this motivates us to stay on an upward trajectory. When bad things happen, it can also be motivational - we get a taste of what we don’t want, and we can make changes to prevent those things from happening again. So when you review your year, be sure to appreciate both the successes and the challenges that are helping you to grow and change. If this sounds difficult, I would encourage you to begin to focus on gratitude. Start every day believing that it is going to be a good day and give thanks to the people and things in your life that you appreciate. Share a smile, a kind word or a nice gesture as a way to bring joy to someone else’s day. Life is going to bring some pitfalls, but by focusing on our blessings, we can help bring a silver lining to those dark clouds.

I wish you all health, happiness and good fortune in 2016.

Area Response Teams (ART)

The Police Department, will once again, be hosting quarterly ART meetings in 2016. These meetings give residents the opportunity to come and meet with the police officers assigned to their areas and to learn about any crime trends or patterns occurring in their neighborhood. Crime prevention tips, legislative updates and police department initiatives and programs are discussed at the meetings and residents are provided the opportunity to voice any concerns or questions they may have. The ART meetings are held in the Community Room at Police Headquarters, which is located at 2011 Lake Street. The dates/times for the 2016 meetings are:

- Y1–1/21, 4/21, 7/21, 10/20 @ 6:00 pm
- Y2–1/18, 4/18, 7/18, 10/17 @ 6:00 pm
- Y3–1/20, 4/20, 7/20, 10/21 @ 7:30 pm
- Y4–1/21, 4/21, 7/21, 10/20 @ 7:30 pm
- Y5–1/20, 4/20, 7/20, 10/21 @ 6:00 pm
- Y6–1/18, 4/18, 7/18, 10/17 @ 7:30 pm

Child Safety Seat Installation Fees

The Hanover Park Police Department offers child safety seat installation by appointment only :
Monday-Friday, 8:00 a.m.—4:00 p.m.

Prior to requesting an installation, the seat/vehicle owner should check the seat for its expiration date; only unexpired seats will be installed. Owners should also bring all manufacturer's documents and instructions with them to the appointment. About an hour should be allotted for each child safety seat installation.

The Police Department has technicians on staff who have completed the U.S. Department of Transportation National Highway Traffic Safety Administration’s National Child Safety Passenger Safety Certification Training Program and are certified to install child safety seats under the Child Passenger Protection Act (65 ILCS 25/1). All certifications have been achieved through Safe Kids Worldwide.

For a Child Safety Seat installation appointment call 630.823.5481.

Child Safety Seat Installation Fees

Residents of Hanover Park:	No charge
Non-residents:	\$35
Court ordered installations:	\$100

Fire Department

Fire Department Receives Upgraded National Protection Classification

The Hanover Park Fire Department recently underwent a review by the Insurance Services Organization (ISO). This typically translates into lower insurance premiums being paid by residents and business/property owners.

Evaluations consist of a review of the community's water distribution system, the 9-1-1 dispatching and alarm office, as well as the overall fire department operations. The greatest number of departments are rated as a Class 9 with the majority of Chicago-land departments being rated as a Class 3 or Class 4. Hanover Park has been rated as a Class 4 department for more than 20-years.

This past fall the department was visited by ISO and underwent its 10-year inspection. After months of review, the Village was notified in December that the protection classification has dramatically improved and the department's **new rating is a Class 2**. There are less than 1,200 departments nationally holding a classification as either a 1 or 2. This new rating places Hanover Park in the top 2% of all rated departments.

The Village's Fire Chief, Craig A. Haigh is elated to receive this new rating. "This is an accomplishment made possible only through the continued support of the Village Manager, Village Board and the hard work and dedication of all department members. It takes a vision for excellence to focus on the long term betterment of the department as well as elected officials who are willing to fund the upfront costs associated with building a fire department that can meet these stringent national standards."

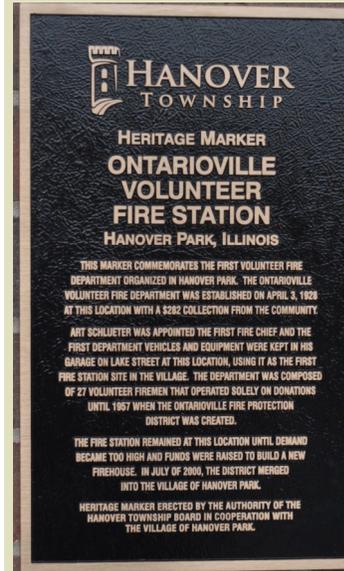

Mayor Rodney S. Craig says that this accomplishment has been a long time in the making. "When I started working with the fire department back in 1995 I felt that we needed to set a goal for the reduction of our ISO rating. The Board has supported the fire department and its leadership as they have continued to take continual incremental steps to accomplish this goal. I could not be more proud of our fire department and what we have achieved as a Village."

The new rating went into effect **December 1, 2015**. **Business and property owners within the Village should contact their insurance agents to make sure that they are receiving premiums reflective of the updated rating.**

Hanover Township Recognizes Fire Department's History

As part of the Heritage Marker Program on October 20, 2015, Hanover Township Supervisor Brian McGuire of Hanover Township dedicated a heritage marker to honor the first volunteer fire department organized in Hanover Park. The original volunteer department was at 2064 West Lake Street, currently home to Suburban Tire Auto Repair Center. It began on April 3, 1928 with a collection from the community of \$282 and a hand full of volunteers. At the event with over 50 people in attendance, local officials unveiled a commemorative plaque at the site. Hanover Park Fire Lieutenant Jim Hite spoke to the attendees about how at the age of six, he would visit the location with his late father, Glen Hite, a volunteer firefighter. This is one of two Heritage Markers now located in Hanover Park.

(www.hanover-township.org — Heritage Makers)

Heritage Marker located at 2064 West Lake Street

CPR/First Aid Class Reminder

Date	Class
Healthcare Provider CPR	January 16
Heartsaver CPR/AED	February 20

Classes start at 8:00 a.m. and are held at Fire Station I located at 6850 Barrington Road. Please call 630.823.5803 or visit our website www.hpil.org (service/FD/CPR) for fee schedule, registration and complete 2016 training schedule.

Public Works

Installation of Lightning Detection System at Barrington Road Sports Complex

The Village is proud to announce the installation of the new safety tool at the Barrington Road Sports Complex.

A Thorguard Lightning Protection System has been installed to alert players, coaches and parents of the presence or the potential for nearby lightning for a two and a half mile radius. The device is constantly taking measurements and looking for indications that lightning is nearby or that the conditions are right for lightning to occur.

The unit, installed on the central concession stand, will then sound an audible alarm and cause a strobe light on the unit to begin to flash. The unit will give one fifteen second blast when it has gone into alarm. The strobe will begin and continue until the alarm is ended. The unit will continue to be in alarm, and the strobe will flash, until it no longer recognizes the presence or potential for nearby lightning. It will then give three five-second blasts to sound the all clear and the strobe will stop.

It should be noted that this device is only intended for use at the Barrington Road Sports Complex. It may be possible to hear the horn in nearby neighborhoods, but the volume of the horn will be dependent on cloud cover and the prevailing winds. This device is only intended to give a warning for players, coaches, parents and visitors at the Barrington Road Sports Complex.

Holiday Trash Pick-up Schedule

Due to the New Years Day holiday, garbage pick-up will take place on Saturday, January 2nd.

Christmas Tree Recycling

Christmas trees will be recycled throughout the Village on Friday, January 8th and Friday, January 15th.

This service is provided to homeowners associations not regularly serviced by Allied Waste Services.

Questions? Call the Village at 630-823-5700 or Allied Waste Services at 630-469-1036 or 847-429-7370.

Environmental Committee 2015 Accomplishments

The Environmental Committee accomplished the following this past year:

- Participated in the 24th Annual DuPage River Sweep. Committee members attended an “Adopt-a-Stream” program hosted by the Conservation Foundation. They designated a stretch of the West Branch of the DuPage River, both upstream and downstream of the bridge near the intersection of Arlington and Greenbrook Boulevard, as Hanover Park’s “Adopt-a-Stream” segment.
- Conducted the Seventh Annual Recycling Event with great success on September 26th, at the Commuter lot. Approximately 900 people brought recycling items.
- Continued to recycle holiday lights. Bring your inoperative strings of holiday lights to Public Works for recycling, rather than discarding them in the trash.

Construction on Lake Street

Wondering what’s with all the orange barrels and construction on Lake Street where it intersects with Greenbrook Road?

As you are aware, the Illinois Department of Transportation is widening Lake Street to include double left turn lanes off of Greenbrook Boulevard and a double lane entrance ramp off of west-bound Lake Street to get on to I-390. IDOT is also adding double left turn lanes from west-bound Lake Street to go south-bound on Greenbrook Boulevard and extending the west-bound Lake Street left turn lane for vehicles waiting to go west on Ontarioville Road to improve vehicle storage and reduce the number of vehicles stacking on to Lake Street. Ultimately, a sidewalk/path from Bear Flag Drive to the gas station at Greenbrook Boulevard and Lake St. will be installed with traffic signal upgrades.

The road widening portion includes relocation of infrastructure such as street lights, traffic signals, ComEd underground wires and installation of additional storm sewer structures.

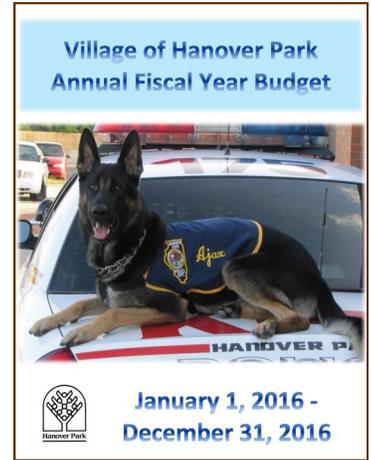

This project is planned in 4 phases, of which 2 have been completed and the lane closures were removed for the winter. There will only be daily temporary lane closures over the winter for traffic signal/street light improvements. While next summer will include more work in the area, we are very excited for the completed improvements.

Finance Department

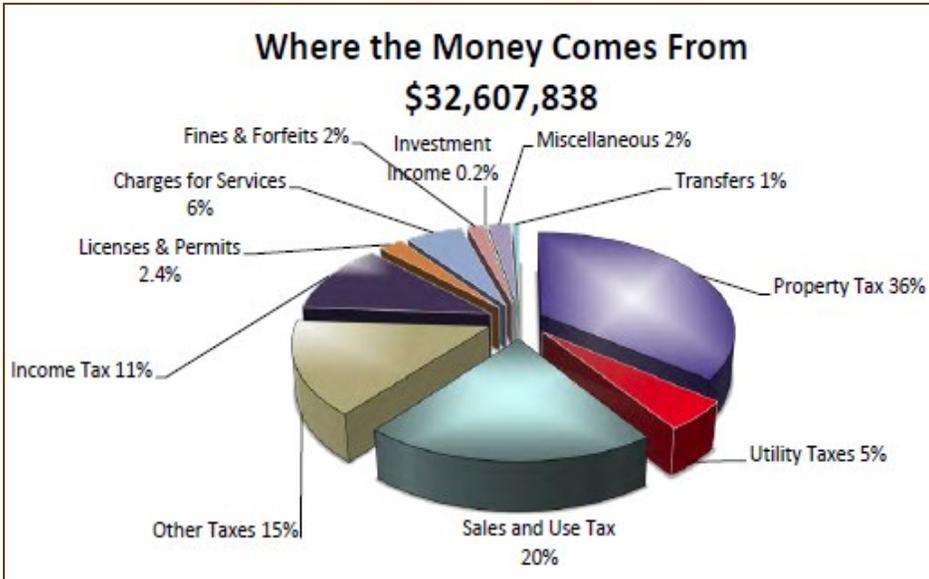

Village Board Adopts 2016 Annual Budget

On December 3, 2015, the Village Board approved the Fiscal Year 2016 Annual Budget, which establishes authorized expenditures and sources of revenues from January 1, 2015 through December 31, 2015.

This budget document is in response to the needs of the citizens and business community of Hanover Park, and is designed to provide a comprehensive overview of the Village’s financial activities during the next twelve months. It is a balanced budget that meets the Village’s fund balance policies, and all current levels of service are well maintained. The Fiscal Year 2016 budget also reflects the Village’s efforts to diversify revenues.

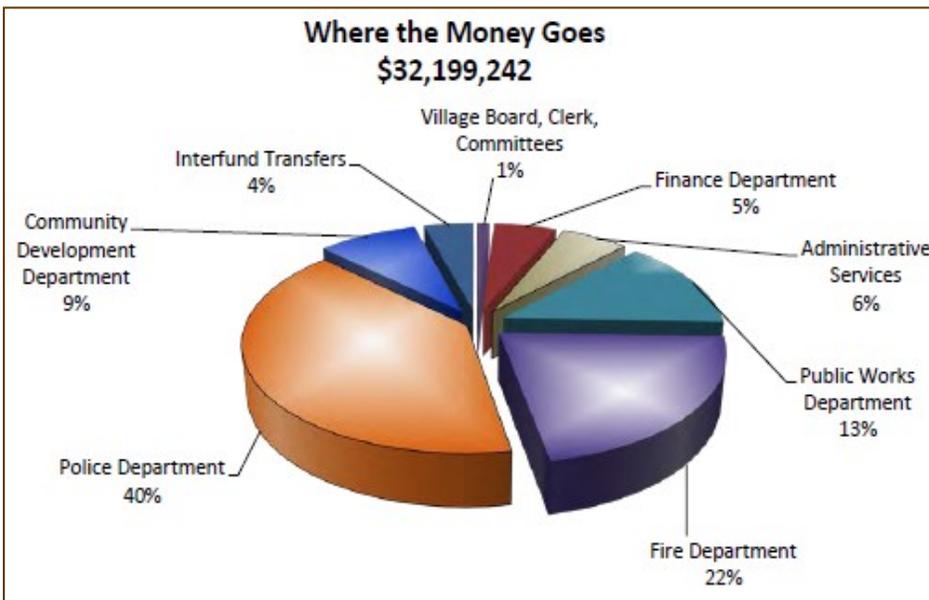

“Hanover Park continues its long tradition of delivering a balanced budget for Board approval. I appreciate the willingness of staff to continue to be frugal and mindful of the state of the economy, while still being sensitive to the needs of the residents, and providing high quality services.” said Village President Rodney Craig.

The total Village Budget expenditures for Fiscal Year 2016 are \$58,204,680. General Fund Fiscal Year 2016 expenditures total \$32,199,242. General Fund revenues total \$32,607,838.

The complete budget book can be viewed on the Village’s website at www.hpil.org.

Water Billing Changes Continued....

For those who reach shut-off status, the following additional charges will be implemented:

- Change 45 day shut off to 35 days
- Increase reactivation fee from \$20 to \$50 during business hours
- Increase reactivation fee from \$50 to \$100 after-hours
- Increase Return Check fee from \$25 to \$35
- Implementation of no-show fee \$50
- Elimination of the Summer Sewer credit.

Hanover Park Metra Riders Can Now Pay For Parking Online/via Phone App

On Monday, December 14, the Village of Hanover Park launched a phone app “Passport’s Mobile Pay Solution” to enable Metra riders to pay for parking at the Metra Commuter lot via their smart phones.

As a timesaving convenience to our Metra riders we have added a “Passport App” payment option for credit card payments from their smartphone, as opposed to using the pay station, for all 832 parking spaces. Payment must be made within twenty minutes from parking your vehicle in the Metra Station Lot.

This launch partners the Village of Hanover Park with Charlotte, NC-based Passport and Downers Grove, IL-based Total Parking Solutions. “We’re thrilled to launch our system in Hanover Park and make parking easier for Metra Riders,” said Michael Rafferty, VP of Enterprise Implementations at Passport. “We look forward to increasing our footprint in the Illinois area and continuing to build our relationship with Hanover Park.”

Users can get started by downloading the free PassportParking app for iOS (Apple) or Android devices. Users can also register online at ppprk.com.

For further information about this program, please contact Assistant Finance Director Marilyn Clarke at 630.823.5790.

Education and Work Center Celebrates One Year

The Education and Work Center (EWC), located at 6704 Barrington Road in the Hanover Square Shopping Center, is thriving after its first year in operation!

A unique partnership between the Village of Hanover Park, Elgin Community College, Harper Community College, the Chicago-Cook Workforce Partnership, with support from the State of Illinois, resulted in a one-of-a-kind resource, and is making education and jobs more accessible to the Village of Hanover Park and the surrounding region.

The EWC opened its doors to the public in August 2014 and offers a variety of FREE classes and services such as ESL courses, High School Equivalency (HSE) preparation classes, resume and cover letter assistance, basic computer skills training and so much more.

To date almost 5,000 people have walked in to obtain information, over 600 students have enrolled in classes and over 1,100 people have utilized the resources available at the Illinois workNet Center. In fact, the interest in ESL classes is so high that EWC added capacity to some of their classes in order to keep up with the demand.

To learn more about the FREE services and classes offered at EWC, please call 630.634.7400.

Veterans Memorial and War Dog Statue

The Veterans Committee invites you to help grow the Village’s Veterans Memorial by purchasing an engraved brick, sponsorship or by contributing to the installation of a War Dog. Donations are tax deductible too!!

To participate visit us online at www.hpil.org or call the Public Works Department at 630.823.5700.

All contributions for the War Dog statue can be mailed to:

War Dog Memorial
Village of Hanover Park
Public Works Department
2041 Lake Street
Hanover Park, IL 60133

(Be sure to include your name, address, and contribution amount.)

Hanover Square Shopping Center Update

Now that the Village has entered into a partnership with Tobin Development to form a joint venture, construction has begun to improve and modernize the Hanover Square Shopping Center. A 'Ground-breaking' ceremony was held at Hanover Square on November 5th. Since then, the paving of parking lot is almost complete, reconstructing the façade of the main building and outlot building is in process, new landscaping has been installed, with additional planting to occur in Spring, and construction work is proceeding in the earnest for the new anchor tenant - Gymkhana.

Housing Study Update

A Community Workshop for the "Homes for a Changing Region" Housing Study was held on November 30th. The Village is working with Teska, on this housing study funded by CMAP, and at no cost to the Village. The study will look at trends and needs of the community and help guide housing policy decisions for the future.

Several residents, officials and staff attended the workshop and provided great feedback. Following a presentation of the Community Assessment Report which discussed the current status and housing trends in the Village, attendees were asked for feedback on future housing needs as well as visual preference for the type of housing they would prefer to see developed in Hanover Park. The information gathered at this workshop will help formulate recommendations to assist the Village set policy guidelines for housing needs of future residents. A website has been set up to keep residents informed and involved, and to obtain feedback. You can get more information about the study, view all documents, take a survey, provide input, and stay informed about next steps at this link: <http://nwdupage-homes.com> You can also go to the Village website for more information: www.hpil.org

GRAND OPENINGS AND RIBBON CUTTINGS

HANOVER PARK COMMUNITY BANK, 6800 BARRINGTON ROAD, 630.837.2700

Mayor Craig, along with elected officials, CONECT Committee and Village Staff helped welcome the Bank to their new location on December 2nd. The new bank facility is a 5000 sq. ft. state-of-the-art building design that features new drive-through banking lanes, on-site staff to assist with loans and account services and also features a Community Room for any member of the community to use.

Spotlight on Business

Jackson Hewitt Tax Services

1784 E Lake Street 630.830.6800 www.jacksonhewitt.com

On November 16, 2006, Jackson Hewitt Tax Services opened its location in Hanover Park, directly across from the Metra Train Station in the Church Street Station Shopping Center.

The owner, Balwinder Chhokar, is a member of the Chamber of Commerce and the Village of Hanover Park’s Business C.O.N.E.C.T. Committee.

At Jackson Hewitt, their mission is “Our Tax Pros work harder, dig deeper and fight to get you 100% of your hard earned money”.

In 2014 with everyone getting health coverage, Jackson Hewitt added services to help individuals and families get advice on how the new health coverage impacts their taxes and explain what benefits they qualify for. If you did not get and keep insurance you may have to pay a tax penalty.

If you would like to learn to be a Tax Preparer, they offer classes in a classroom with a textbook version led by an instructor in a Jackson Hewitt office or Online, on your own time, and with the added benefit of assistance and support at a local Jackson Hewitt office. If you are not sure this would be a good fit for you check out the 5: Five Reasons to Work with Us! on their website.

Another great benefit to this location is the other surrounding businesses at your disposal before, during, and after your appointment, such as All-State Insurance, Starbucks, Subway, SuperCuts and Lily Nails.

We all lead very busy lives it is nice to know there is a business close by that can help make it easier.

Realtor and Business Reception

On November 18th, the CONECT Committee held their annual Realtor and Business Reception to showcase the community, it’s amenities and the local businesses. The event was successful, with over 75 attendees, including several realtors, businesses, elected officials and state representatives.
