APPLICATION PROCEDURES

INTRODUCTION

This brochure provides a general overview of the public hearing process in the Village of Hanover Park. For specific requirements and standards, applicants should refer to the Village's Zoning Ordinance and Subdivision Regulations (if applicable). These documents are available from the Village Clerk. The Community Development Department Staff can also respond to general questions you may have.

TEXT AMENDMENT PROCESS OVERVIEW

The text amendment process requires several steps, including: Staff review at an in-house Staff Development Review Committee (DRC) meeting (held monthly); a public hearing before the Development Commission at an evening meeting; and final action by the President and Village Board of Trustees at a separate Village Board evening meeting. Generally, ***this process requires a minimum of three months to complete.***

Scheduling of all requests for the monthly Development Commission meetings shall be at the discretion of the Community Development Department based on conclusion of Staff review, public notification requirements, and the order of submittal of completed applications.

PUBLIC HEARING PROCEDURES (at Development Commission meetings)

The public hearing is a formal procedure and follows a strict format. Each person providing comments, questions, or testimony must be sworn in by the Development Commission Chair. The applicant, Village Staff, Commission members, and the public are each given a chance to ask questions or make comments concerning the proposal. Following the close of testimony, the Commission will discuss the case, and vote on a motion regarding the request ("recommendation"). The recommendation for approval or denial of the request often includes specific conditions that must be met for the request. If the public hearing cannot be concluded at the first meeting, or if more information is required, the Development Commission may vote to continue the hearing to a later date.

The President and Board of Trustees have final authority to approve or deny all requests. Approval of a request usually includes those conditions from the Development Commission recommendation; additional conditions of approval may be added by the President and Village Board. In all cases, the applicant must meet these conditions as part of the request's approval.

PUBLIC NOTIFICATION PROCEDURES

The Village's Zoning Ordinance explains those procedures required for notifying the public regarding an upcoming public hearing concerning a particular piece of property. Those procedures are summarized below.

Village Staff shall:

- (1) Prepare a legal notice to be published in the local newspaper and mail a copy of this notice to the applicant with specific instructions regarding applicant's responsibilities.
- (2) Install a public hearing sign on the subject property. The sign indicates that the property is the subject of an upcoming public hearing and includes the Village Hall phone number for additional information.

The applicant shall:

- (1) Obtain the addresses of all property owners (taxpayers of record) within 250 feet of the subject property from the appropriate township assessor's office when required. Township assessor addresses and phone numbers are included with this application packet. A copy of the list must be submitted with the application.
- (2) Mail a copy of the legal notice to the owner (taxpayer of record) of **every** property located within 250 feet of the subject property when required. The notices **must be sent by certified mail with return receipt requested**. The date by which the notices must be mailed (the "Public Notification Deadline") will be specified in the instructions provided by the Village Staff.
- (3) Submit proof of the certified mailing, and the returned receipts, to the Community Development Department, as specified in the instructions provided by the Village Staff.

Note: Community Development Staff will determine whether these tasks are required to be completed by the applicant for text amendment requests.

PUBLIC HEARING FEES

The President and Village Board have established the following fees for public hearings. These fees contribute to the Village's cost of conducting the public hearing, including legal notice publication, public hearing sign installation, Staff plan reviews, preparation of all materials, and meeting attendance.

Zoning Ordinance Text Amendment \$525.
Plus publication fee to be paid based on cost of publication and length of legal description. To be paid in full by petitioner before Village Board Consideration.

TOWNSHIP ASSESSOR'S OFFICES

These offices must be contacted for information regarding the identity of all property owners/taxpayers of record for every parcel located within 250 feet of your property. As with most municipalities in the region, the Village of Hanover Park does not maintain these records. Your plat of survey and previous property tax records should indicate your township, although some properties require property owner notification in two townships.
