5. ACTION ITEMS:

5-a. Deputy Chief Johnson spoke on the smoke alarms that are available to us through the American Red Cross. They have a warehouse full of them and are short on installers. There are requirements such as instructions on how to install, the actual house visit, documentation, etc. We need to figure out how to get this going. There would be 2 people needed at an install and of course properly trained. Ladders/step stools/ & tools would be provided. Advertise in the Highlighter and cable, train by mid January (possibly 19th at Fire Station) and first install last week of January.

- 5-b. Training Topic – Trustee Kemper suggested refreshers on triage, search & rescue, active shooter. Also discussed Active Shooter Certification for Fire Corp that was requested by e-mail to do on-line.
