### 4. BOARD MEMBER CONCERNS

Trustee Konstanzer questioned if the Village had an interim Village Manager. Trustee Konstanzer asked if a staff member had been considered to fill in or if Vorhees had already started the process. Village Manager answered that he will be speaking with Heidi Vorhees for an update and he will discuss the possibility of having an interim Village Manager.

Trustee Zimel spoke on his concern of having a point person for the Northwest Fourth-Fest. This person would be the contact person for Hoffman Estates and approve Village logo as well on the marketing material. Direction was given to have Clerk Corral be the point person. Mayor Craig informed that due to the discount given on the fireworks the balance would be used for promotional items.

Clerk Corral spoke on receiving support with a letter of intent to show the Village as an interested community to be considered a pilot community for a grant. The Northwest Municipal Conference and the Metropolitan Mayors Conference Caucus, which are part of the funding
