Consent Agenda - Omnibus Vote

Illinois law permits municipalities to adopt by one single unanimous roll-call vote of the Board of Trustees and the Village President a group of designated ordinances, orders resolutions, or motions placed together for voting purposes in a single group. This Omnibus Vote may be made following the following sample motion: *“I move to approve by omnibus vote items in the Consent Agenda.”*

All items marked with (C.A.) are considered routine and thus are considered to be on the Consent Agenda. Following the motion's second, a brief discussion may be held about any designated item. If lengthier discussion or debate is needed, any Trustee or the Village President may request any item to be removed from the motion and those items will be considered during the regular course of the meeting as they appear on the agenda.

All matters listed under Consent Agenda, are considered to be routine by the Village Board and will be enacted by one motion in the form listed below. There will be no further discussion of these items. If discussion is desired, that item will be removed from Consent Agenda and will be considered separately.
