5. ACTION ITEMS:

5-a. Mayor's Choice Award

Director Govind, with input from Mayor Craig, detailed the background of the campaign and questioned the committee what changes would they like to see.

The committee discussed and recommended the following:

Evaluations add more points for years in business and reduce the spread in other areas.

CY2017 add a new category for "Rookie Business of the Year". Must be in business 2 or more years to be eligible. Award will be like the "People's Choice" acrylic trophy.

Starting this year if a business won last year they are not eligible to win consecutively. We are implementing a one year wait period for Business of the Year. This revision does not have any effect on the People's Choice Award Campaign.

5-b. Local Business Showcase – Final details for event.

The committee discussed and recommended the following:

Member Swan volunteered to be our Event Ambassador.

Decided to go with the Passport brochure and collect signatures (10 or more) to be eligible for the raffle prizes donated by the businesses.

Create event flyer without application to be emailed and displayed at local businesses.

We will use the Villages PA System to make announcements and notify winners of the raffle. Winners can pick up prize at the business who donated.

Good Morning -----

I tried to find the application on your website but was not able to locate it. I hope this email will be an official nomination for a small business.

I wish to nominate Lily Nails. They are just a small business but with a big caring heart! They always have great things to say about Hanover Park to their clients. They take care of single clients and large bridal parties all with the same warm and caring attitude. They have taken on a beautification project for their entire strip mall. They have planted flowers to make the entire location beautiful. They have encouraged other businesses in the center to plant large flower pots on the walkway. They also have planted vegetables and have shared their bounties with their customers. They are the poster for a Hometown Business. Please accept my nomination for LILY NAILS for the Mayor's Choice Award!

Sherry Craig

Phone Number: 630 855 3596

What factors contribute to the success of the company you nominated and why?

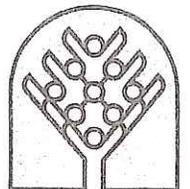

This local restaurant is simple, but very clean. The food portions are extremely generous. The food is flavorful and the bakery goods are scrumptious!
There are only a few restaurants within a 10 mile radius of Hanover Park that serve genuine German fare.

This would be a great venue for senior communities to bus their residents to enjoy a good European meal + beverage.

Company: Olde Salem Cafe
Owner Name: Renate S.
Company Address: 7213 Old Salem Cir., Hanover Park
Phone Number: 630-855-3596

What factors contribute to the success of the company you nominated and why?

First and foremost, the Olde Salem Cafe, is a wonderful find and a jewel of a business located in Hanover Park. Renate, the owner, is always on-site to ensure your experience and interaction is always memorable and first rate. Her product is food, served in generous portions and with a European flair. Her establishment is clean, tidy, and reminds me of a comfortable dining room at your favorite Auntie's home. Renate keeps her prices low to moderate so almost everyone can enjoy the unique dining experience at her restaurant. She has been open for business at this location for four years, and we have been customers for the last two. Looking back, I wish we would have found it earlier. This business is a asset to the community and certainly worthy of the Mayor's Choice Business Award. Thank you.

Company: OLDE SALEM CAFE

Owner Name: Renate S.

Company Address: 7213 Olde Salem Circle, Hanover Park, IL 60133

Phone Number: 630-855-3596

What factors contribute to the success of the company you nominated and why?

Although we have been residents of Hanover Park for 38 years, it has not been often that we have found a restaurant in town that we have enjoyed as much as we have at Renate's Old Salem Cafe. Aside from Renate's very good customer service (helpful, friendly, and courteous) and a clean, bright restaurant, the German food and the baked goods/desserts that she serves is likewise delicious and affordable. Our family particularly enjoyed her new Schweinsaxe (pork shank) dinner, a large well-seasoned, mouth-watering pork shank with sides of spätzle and sauerkraut, freshly baked rolls and potatoes, and a wonderful vegetable salad. It was like having a complete German "thanksgiving" dinner (with plenty of leftovers) for only around \$30. It is fantastic for Hanover Park to have one of the few German restaurants in the Western and Northwest suburbs this close to home serving great food at accessible prices. They are an asset to the community and any recognition of this that the village could give would be very much warranted indeed.
