BOARD WORKSHOP

May 20, 2010

DATE: May 12, 2010

TO: Village President and Board of Trustees

FROM: Ronald A. Moser, Village Manager
Howard A. Killian, Director of Public Works

SUBJECT: Cul-de-Sac Snow Removal

For the past five years, Advanced Excavating has been providing snow removal services for our 193 Village owned cul-de-sacs, with last winter being the last of our previous contract. Staff has been very pleased with the level of service provided by this firm and is seeking Village Board concurrence on negotiating a new 5-year contract with them. In our discussions with the firm, we believe we can negotiate a higher level of service at a reduced cost. If the Village Board does not concur, we will solicit proposals and bring back to a future Board meeting.
