7-a.1 Stenciling

Rescheduled for June 23rd. Only the streets that have been recently paved will get done. Rich Galer is handling the volunteer list. Flyers will be passed out to the residents.

7-a.2 River Sweep

The event took place on 5/19/12. Everyone met at Freedom Way Park at 9:00 a.m. Two groups were formed. They were able to clean from Lake Street to County Farm. Many items were retrieved. The group would have liked to clean the area by Anne Fox but the slope is too steep. The volunteers included 7 Environmental Committee Members; 3 Walgreens employees; 3 residents and 3 Public Works employees. Overall the event was good and the committee would like thank you notes be sent to the volunteers. The Conservation Foundation sponsors this event and it was their 21st year doing so.

7-a.3 Recycling Event

September 15th – 9:00 a.m. to 1:00 p.m. Shari handed out the flyer that she put together with the poster from the First Eagle Bank poster contest winner. She would like the group to review it and to let her know if there are any changes. All of the same vendors from last year will be in attendance. There will also be a prescription drop off supplied by Cook County Department of Environmental Control and they will send a sheriff to guard the area.

First Eagle Bank will display the event on their message board. All of the same sponsors as last year. Jenny will talk to Suburban Tire and contact the Townships. Robert will contact Kamphaus Auto. Russ will contact gas stations to see if the information can be put on the screens by the pumps.

We are working with The Village of Schaumburg. Their event from last year had over 1,000 cars.
