### What factors contribute to the success of the company you nominated and why?

We have been located in Hanover Park since 2004 and have provided excellent customer service in our 11 years here in Hanover Park. I have worked at this store since 2007, and in that time I've watched our business grow, even through a recession. We focus on good products and service to help repeat business.

We recently remodeled to give more room for our customers and help create a more efficient workplace. Our community bulletin board is full of local businesses and non-profits advertising their services, which we are more than happy to support.

We are big supporters of the police and fire departments and our local schools. Our employees spend their hard earned dollars in our local stores, and we as a store buy our goods from local services whenever possible.

Our customer service has been highly rated on numerous social media sites, with numerous 5 star reviews on sites such as Yelp, Google, TripAdvisor and Facebook.

We are proud of our long service in Hanover Park and look forward to serving our customers for years to come

## Spotlight On Business

The Alvarez family purchased their building on Irving Park Road in 2006. With their hard work and efforts, they remodeled the building and transformed it to what is now known as Alvarez Jewelry. Their business is family owned and was operating in Bartlett for 12 years. Many loyal customers followed them when they relocated to Hanover Park.

Alvarez Jewelry showcases high quality jewelry as well as provides jewelry repair services to their customers. The owners, Juan and Leticia Alvarez, also create custom design pieces. Leticia Alvarez stated "Their company's philosophy is to help every customer and everyone they come in contact with.."

After experiencing a devastating robbery shortly after their grand opening, the Alvarez family persevered and succeeded in maintaining their business.

Mr. and Mrs. Alvarez are very involved in the community. Alvarez Jewelry serves as a member of the Hanover Park Business COI ECT Committee. In recognition of commitment to their business, customers and the community, Alvarez Jewelry was a finalist for the 2007 Mayor's Choice Award.

Stop in to see what is new and support Alvarez Jewelry located at 2105 W. Irving Park Road, Hanover Park, IL 60133 or contact the Hanover Park store at 630-213-3903. Business Hours are Monday – Friday, 10:00 a.m. – 7:00 p.m. and Saturday, 10:30 a.m. – 6:00 p.m.

Renate Smith began her business on-line as Cookies a La Carte five years ago. During those years she participated in festivals, craft shows and farmers markets. With positive feedback and growth, she was able to open Olde Salem Café, located in the Olde Salem Circle strip mall.

Renate takes pride in serving quality food with minimal waiting time while making sure customers are satisfied with their food and hospitality.

Old Salem Café features freshly baked German gourmet cookies and cakes, including streusel and "On the Go" sandwiches.

Stop by and try a Cuban sandwich, brats, or their newest item, the Pretzelburger served on a homemade pretzel bun. Add a side of their freshly cut fries topped with their own blend of seasonings.

Did I mention, homemade sauerkraut and German potato salad, or weekly specials like apple pancakes???

Visit Olde Salem Café today and mention this article.

## Mayor Craig visits International and National Students At Faubourg School of Ballet

Mayor Craig met with dancers from the Faubourg School of Ballet, including out of state students and international students who traveled to Hanover Park from Istanbul, Turkey. The dancers participated in a seven week Summer Program with specialized training in ballet, pointe, classical variations and modern dance. In August, the dancers presented their talents in a show entitled "Pour Les Amoureux de la Danse" (For Lovers of the Dance) at the Prairie Center for the Arts in Schaumburg.

Faubourg School of Ballet, founded by Artistic Director Watmora Casey and located in Hanover Park for the past 20 years, continues to receive national and international recognition for the quality of its dancers and teachers. As part of its mission to increase awareness of the Arts in the suburbs and beyond, Faubourg gives back to the community each year by dedicating a portion of its show to Autism awareness.
